† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**Cautions:** Give with food to reduce stomach upset. If the condition worsens or doesn't improve, stop use and consult your veterinarian. Not proven safe for pregnant or breeding animals. Use with caution in animals with hyperthyroidism. Not for off-label use in ruminants. This is a daily nutritional supplement, not a complete diet.

Our advanced formula blends powerful ingredients with savory bone broth to promote superior dental health in dogs. Infused with Icelandic Kelp, green tea extract, and Bactase PET™, this blend helps combat plaque, tartar, and bad breath. † Perfect for keeping your pet's smile bright and healthy.

**Ascophyllum nodosum (Icelandic Kelp)** – Targets oral biofilm, supports the breakdown of tartar, promotes fresher breath, provides essential nutrients, and promotes healthy teeth and gums. †

**Bactase PET™** – Scientifically formulated blend of 7 potent enzymes designed to support the breakdown of tartar, promote healthy bacteria levels in the mouth, and target oral biofilm to help improve your pet's oral health. †

**Cellulase** – Enzyme added to help your pet break down Kelp's cell wall, making it gentle on sensitive stomachs. †

**Green Tea Extract** – Provides potent antioxidant support, supports normal inflammatory response, and promotes overall teeth and gum health. †
